

2007 TransForce Driver of the Year Brian Adams

Brian Adams of Grand Rapids MI, was selected as TransForce Driver of the Year for 2007.

Adams was chosen 2007 Driver of the Year because of his outstanding driving and safety record, said TransForce officials. Throughout his career with TransForce, Brian continues to be accident and incident free.

Brian Adams joined TransForce in March of 2004 and during the past four years has worked on only two assignments. Brian is currently assigned to our Steelcase account and has done a phenomenal job and received numerous compliments for his dedication and outstanding customer service.

Brian has never missed a day of work, other than scheduled vacation time, in all of his time with our company and continually displays a positive attitude and conducts himself in a respectful and safe manner at all times.

Heather Rus of the Grand Rapids office states "Most importantly, Brian is a **safe** driver and we are proud that he is a member of our TransForce family."
