TransForce Expands Southern California Presence

SPRINGFIELD, Va. – June 1, 2012 - TransForce Inc., the nation’s leading driver staffing firm, is pleased to announce the opening of its new office in Santa Fe Springs, California.

TransForce has an office in Rancho Cucamonga (in the Inland Empire) that has served southern California for many years. The new Santa Fe Springs office will enable TransForce to reach a broader pool of CDL drivers throughout southern California.

The Santa Fe Springs office is the 36th office in a network that stretches across the country and serves over 40 markets. David Broome, President and CEO of TransForce says: “Our new office in Santa Fe Springs puts us right in the middle of the greater Los Angeles region, especially in the area that has the greatest need for truck drivers. In addition, our new office is only 50 miles from our Rancho Cucamonga office. We are doubling our resources to support our clients across southern California.”

TransForce has grown from its original three offices in 1991 to its present 36-office network through a very deliberate approach based on customer service. During the last three years, TransForce has opened offices in Louisville, Kentucky, Minneapolis, Minnesota, Raleigh, North Carolina, Birmingham, Alabama and Charlotte, North Carolina.

The contact information for the new office is:

**12631 East Imperial Highway, Suite D-116
